

Back

Vanilla Sky

We're back again
This last year has been a nightmare
But we've made it through
And now we're ready to start again
With all that's happened
and everything we've had to do
So we're not different
We're the same we've always been

Ready to go

Shake it up shake it up here's the summer
Shake it up shake it up comes the winter
this is what we are
this is what we are
Shake it up shake it up here's the summer
Shake it up shake it up comes the winter
this is what we are
this is what we are
and we've always been

This is our life
like a never ending test
Where the face we show
and the one we hide
never collide

Ready to go

Shake it up shake it up here's the summer
Shake it up shake it up comes the winter
this is what we are
this is what we are
Shake it up shake it up here's the summer
Shake it up shake it up comes the winter
this is what we are
this is what we are
and we've always been

Every decision
and ever move we've ever made
was always for the best
and the feelings exiled in our chest
and when we miss the ground beneath us
We'll fill our lungs with simple truth
Painted from our memories
Again we're standing too lose everything
But this is what we are
This is what we are

Shake it up shake it up here's the summer
Shake it up shake it up comes the winter
this is what we are
this is what we are
Shake it up shake it up here's the summer
Shake it up shake it up comes the winter
this is what we are

this is what we are
and we've always been
