

## Dismal King

Varathron

I'm deathless, traveler beyond the gates of time  
I'm the sleepless one the dark brother of hypnos  
Kingdom of hades is my domicile  
Kingdom of shades and ... SILENCE!  
Beyond the frosted waters of styx  
and dreadful flames of flegethon  
Without me, sickness and senility  
Would utterly prevail all over the earth.

Soul eater! Eternal king!  
Shadow ruler! Dismal king!

In the battlefields, those who were wounded  
Would continue to fight  
The sick ones and the mutilated, would  
Wander around the earth, screaming in agony.

Soul eater! Eternal king!  
Shadow ruler! Dismal king!

Starvation would be a reality  
Nature would grow without anything to die.  
It would be no place on earth  
Free from terror.  
No mercy for mortals who  
Are victims of ... TIME!
