

My name is Belle I'm dancing here
every night
by days I sleep
and then I dream
of better life

There on the stage I'm pretty good
That's what they say
I do my dance they clap their hands
And pay me well but I pay more
I pay in tears behind the scenes

O lord!
Forgive me please and always keep
your eye on me

One day I'll be the star
I won't be said no more
One day I'll stop to cry
And all my dreams will be gone !!!

One day I'll be the star
I won't be said no more
One day I'll stop to cry
And all my dreams will be gone !!!

One day I'll be the star
I won't be said no more
One day I'll stop to cry
And all my dreams will be gone !!!
