

Boared to tears

Varius Manx

Sun outside
What will I do today with time?
It's the face
Which looks the way it's looked before
I can play
The game I played the other day
So I'm here
And everything seems to be clear
I don't know
Why you keep smiling
When I can kill time
I just wanna be satisfied
With everything I do
And always be a happy child
And never be depressed
A can't help feeling I'm tired
With everything I do
I can read
The book I read the other day
Wath TV with the same guy
on the screen
Go for a walk
But I don't care much for the weather
I'm so sad
I wanna fall asleep at once
