

## Boared to tears

Varius Manx

Sun outside  
What will I do today with time?  
It's the face  
Which looks the way it's looked before  
I can play  
The game I played the other day  
So I'm here  
And everything seems to be clear  
I don't know  
Why you keep smiling  
When I can kill time  
I just wanna be satisfied  
With everything I do  
And always be a happy child  
And never be depressed  
A can't help feeling I'm tired  
With everything I do  
I can read  
The book I read the other day  
Wath TV with the same guy  
on the screen  
Go for a walk  
But I don't care much for the weather  
I'm so sad  
I wanna fall asleep at once
