

The Pretty Time

Varius Manx

So I'm on the road again
The sun is shining over me
And dancing trees I leave behind

I've got some money in my jeans
And a little hope inside my heart
It's a pretty time to say goodbye

Don't follow me
I'll never come back here
me and my car
We've got so much to see
Happy days
are waiting for us

I'll change my name
I'm gonna start again
I'll paint my car
I'll dye my hair
All I want
it's just to go ahead!

I'm so hard to live with
I think too much about myself
I'm sorry babe
if I made you cry

Some day I'll be filthy rich
I'll buy for me a piece of land
And then I stop
running away...
