

## Body Talk

Varsity Fanclub

oo, your body, oo, your body's talking girl (2x)

(Jayk)

Hit me like an earthquake when you walked in  
i can feel my heart race that's how it begins  
you whisper in my ear that you don't want nothing to happen  
cuz u got a boyfriend at home

(David)

You're trifling cuz you  
are dancing so close that i feel every part of you  
you must be confused

(all)

CHORUS

you're sayin you don't want it, but your body's talkin girl  
sayin what you wanna so i'll put it on ya girl  
who you think your fooling?  
the way your body's moving let's me know- oh-oh -oh  
cuz your body's talking, girl  
(2x)

oo, your body, oo, your body's talking girl (2x)

(Drew)

Such a violation you don't play fair  
Pushing me away and then you want me here  
Sending mixed signals in a nutshell  
Girl I'm just a man don't know what you take me for

(David)

It's really what you do  
If only you know all the things I want to do to you  
You wouldn't be confused

CHORUS

you're sayin you don't want it, but your body's talkin girl  
sayin what you wanna so i'll put it on ya girl  
who you think your fooling?  
the way your body's moving let's me know- oh-oh -oh  
cuz your body's talking, girl  
(2x)

oo, your body, oo, your body's talking girl (2x)

(Thomas)

Girl your body's talking to me  
and you don't know what I'd do, I'd do to you  
Your words don't mean nothing  
Cause your body's stuck to me like glue  
I'm all over you  
(2x)

(Are you satisfied?)

CHORUS

you're sayin you don't want it, but your body's talkin girl  
sayin what you wanna so i'll put it on ya girl

who you think your fooling?  
the way your body's moving let's me know- oh-oh -oh  
cuz your body's talking, girl  
(2x)
