Varsity Fanclub

Ohhhh ohh ohh wee oh  
When boy meets girl  
Ohhhh ohh ohh wee oh  
When boy meets girl

[Verse 1:]

See when I saw this pretty young thing  
She was hangin with her girls  
She was sippin a slurpee  
Brown eyes that caught me off guard  
So I walked up to her friend (her friend)  
Said I would like to meet  
Take her out to eat  
And sweep her off her feet  
Can you arrange it please?  
And she said (she said),  
When you wanna meet her, meet her?

[Chorus:]

When boy meets girl  
You can stay up til the morning, never gets boring.  
When boy meets girl  
You can spend all night kissin, lovin each minute.  
When boy meets girl  
Something inside of you just changes.  
When boy meets girl  
When boy meets girl

[Verse 2:]

Hangin out at one of her friend's cribs  
Watchin the sun come up, there's no sleepin  
Holdin hands on top of the roof  
(She said) With you I think I found a good thing.  
We're having lots of fun,  
She takes a piece of gum,  
And puts it on her tongue  
Said can you kiss me please?  
And I said, I'm really glad I met ya, met ya.

[Chorus:]

When boy meets girl  
You can stay up til the morning, never gets boring.  
When boy meets girl  
You can spend all night kissin, lovin each minute.  
When boy meets girl  
Something inside of you just changes.  
When boy meets girl  
When boy meets girl

[Hook:]

Ohhhh, oh you can stay up (you can stay up)  
When boy meets girl  
Ohhhh, oh you can stay up (you can stay up)  
When boy meets girl
