[Verse 1]

I think I gotta get yo head right
Loosen up, you're so tight
Baby come on
(Let me inside)
You got me lost inside your circus
You got me feeling nervous
Baby come on
Come on

[Hook]

She says this
She means that
Then she's not calling me back
I keep going in circles
Around and around
She gets hot
She gets cold
And when she puts us on hold
My whole world (my whole world)
Gets caught up in this complicated girl

[Post Hook]

Caught up in this complicated girl
Lemme get get get that chick

[Verse 2]
