

# Half Of You

Varsity Fanclub

(Drew)

Alright...ooh, yeahh

I heard a sad song playing on the radio

'Bout a girl who loved him but she never really let it show Outside the rain  
keeps falling down my window

I'm crying inside

Gotta see you tonight

I understand I know somebody broke your heart before

But it wasn't me who left the pieces lying on the floor

But it's me who's out here in the rain knocking at your door Paying the price  
for all of his lies

I'd write you a song but I can't find the words to say

To tell you what's on my mind

But even a symphony can't say what you mean to me

So how can I, How can I give you

(Chorus)

All of me

When all I get is half of you

Now tell me what am I supposed to do

If all I get is half of you

If all you give is half of you

(Jayk)

Wanna be the reason that you never look for love again Baby girl I wanna be  
your lover your best friend

How we gonna make it if your never gonna let me in

What can I do to prove that my love is true

I keep holding on for as long as it's gonna take

Until you realize

Look in my eyes they won't ever let you be betrayed

I'm not that guy

But how can I give you

(Chorus)

All of me

When all I get is half of you

Now tell me what am I supposed to do

If all I get is half of you

If all you give is half of you

(I just get half of you, I just get half of you)

(Jayk)

Now girl you got me locked up doing time

Got me paying for somebody else's crime

But how can love burn

If it's not returned I need more than that this

So how can I give

(Chorus)

All of me

When all I get is half of you

Now tell me what am I supposed to do

If all I get is half of you  
If all you give is half of you

How can I give you all of me  
(Half of You)

When all you give me is half of you  
Now tell me what am I supposed to do  
If all I get is half of you  
If all you give is half of you
