

Like I Always Do

Varsity Fanclub

(DREW)

Oh...

You gave me a reason

You told me that I'll always be yours

Oh

You are my desire

My heart is so on fire for you

I can't stop loving you

Loving you, oh no

(JAYK)

Cause I don't wanna end up

In your rear view

Wanna be someone you could turn to

Baby, I never wanna lose you

No, there's nothing I won't do

(Chorus)

So I'll watch you like a movie

I'll sing you like a song

Read you like a story

If it takes me all night long

Keep you like a secret

I'll tell you like a joke

It's true

It's true

That I'll love you

Like I always do

(Love you like I always do)

(Love you like like like)

(DAVID)

You are so amazing

You stepped in and saved my life

Oh

Every time we are together

My time is yours forever

My world is all yours

(JAYK)

I don't wanna end up

In your rear view

Wanna be someone you can turn to

Baby, I never wanna lose you

No, there's nothing I won't do

(Chorus)

So I'll watch you like a movie

I'll sing you like a song

Read you like a story

If it takes me all night long

Keep you like a secret

I'll tell you like a joke

It's true

It's true

That I'll love you

Like I always do

(DREW/BOBBY)

Hey

Baby, you'll never leave

No, I'll never leave you

Yeah

Oh

Yeah

(Chorus)

I will watch you like a movie

I'll sing you like a song

Read you like a story

If it takes me all night long

Keep you like a secret

I'll tell you like a joke

It's true

It's true

That I'll love you

Like I always do

(Like a movie)

So I'm gonna love you, yeah

(Like a song)

Oh girl, I'm gonna love you

(Like a secret)

I'm gonna love you

(Like a joke)

Oh yeah, I'm a love you like I always do

Yeah

I'm gonna love you

Love you like I always do
