Varsity Fanclub

[Verse 1:] Outside the air is cold as winter, begins and fall, they say th at you are gone And my mind holds you here, but it's hard to [?] your sounds p roves that your nowhere near It's said it must be strong... [Chorus:] But I, can't find the need to take a vow, that you, are gonna 1 ove that other life My life, should'nthave ever faced my death, than to go on witho ut you I cry cause I can't find the strength to start, but I try, but only to my needs of joy Flatline I wish my heart could just shut off Cause I can't go on alone without you [Verse 2:] As I say my prayers in bed, I wonder if they'll reach you, or a m I just calling out in vein For everything that has a say, I'm thinking how could this be f air, wonder will I see you there, cause I [Chorus:] But I, can't find the need to take a vow, that you, are gonna 1 ove that other life My life, should'nthave ever faced my death, than to go on witho ut you I cry cause I can't find the strength to start, but I try, but only to my needs of joy Flatline I wish my heart could just shut off Cause I can't go on alone without you [Bridge:] Maybe I'll meet you in my next life, if that's ok with you Maybe I'll see you through my shining light, until then I'll be blue, yeah yeah... [Chorus: x2] But I, can't find the need to take a vow, that you, are gonna l ove that other life My life, should'nthave ever faced my death, than to go on witho ut you I cry cause I can't find the strength to start, but I try, but only to my needs of joy Flatline I wish my heart could just shut off Cause I can't go on alone without you Sponzor: www.srovnavac.cz - šetříme na pojištění!
