Varsity Fanclub

Oh, oh, oh, oh opera
Oh, oh, oh, oh opera
Oh, oh, oh, oh opera
Oh, oh, oh, oh opera

Jayk:

I'm standing in the dark
The tempo of my heart
Competing in the race, oh
The silence of no crowd
I only hear the sound
Of loving you
We're making sheet music tonight, oh
In harmony, oh
Just you and me, oh
A bittersweet escape, oh, oh, oh
I'll take the top, oh
You take the lead, oh
Tonight the show won't stop

CHORUS:

Got me singing like an opera
Make me hit another octave
Got me movin' like a rockstar oh, oh
Got me singing like an opera
Make me hit another octave
Got me movin' like a rockstar oh, oh, oh
Oh, oh, oh, oh opera
Oh, oh, oh, oh opera
Oh, oh, oh, oh opera
Oh, oh, oh, oh opera

Drew:

You've opened up my range
I'm taking center stage
The orchestra's in place, ooh yeah
The shadows on the wall
Are waitin' for my call
The curtains close
Can somebody turn up the bass? oh
In harmony, oh
Just you and me, oh
A bittersweet escape, oh, oh, oh
I'll take the top, oh
You take the lead, oh
Tonight the show won't stop

CHORUS:

David:

It's okay to be creative
No one's had to stay between the boundaries
So baby set us free
Take me to a place of Eden
Hidden in between the seasons
Just beyond where night turns into day
