

Spank That

Varsity Fanclub

I had a girlfriend
She had a cousin
Who was so open
And wanted love in.
When I go over
In my range rover
She turned on Oprah
Rubbbed my shoulders

Shawty, she's so into me
But I don't cheat with family
Sleeping with the enemy
(Ain't my thing, ain't my thing)
No, I ain't rollin' like that
That shit will spring Jerry back
Give my mom a heart attack
(Yes, she will spank that)

Spank that shit
Spank that shit
Spank that shit
Spank that shit
(Yes, she will spank that)

Spank that shit
Spank that shit
Spank that shit
Spank that shit
(Yes, she will spank that)

You gotta do it right
Don't mess with people's minds
Creepin' around tonight
Leave it alone

Spank that shit
Spank that shit
Spank that shit
Spank that shit

My girl was leaving
For the weekend
I went out drinking
With my best friend
There was this cougar
She wasn't sober
Gave me her number
It's my girlfriend's mother
OOHH!

Shawty, she's so into me
But I don't cheat with family
Sleeping with the enemy
(Ain't my thing, ain't my thing)
No, I ain't rollin' like that
That shit will spring Jerry back
Give my mom a heart attack

(Yes, she will spank that)

Spank that shit
Spank that shit
Spank that shit
Spank that shit
(Yes, she will spank that)

Spank that shit
Spank that shit
Spank that shit
Spank that shit
(Yes, she will spank that)

You gotta do it right
Don't mess with people's minds
Creepin' around tonight
Leave it alone

Spank that shit
Spank that shit
Spank that shit
Spank that shit

Spank that shit
(Come on just spank)
Spank that shit
(Softer now)
Spank that shit
(Yo, just.. Come on.. What?) Spank that shit
(A little bit softer now) Spank that shit
(Uh, uh, come on, uh)
Spank that shit
(A little bit softer, uh)
Spank that shit
(A little bit softer, uh)

Spank that shit
(Uh, a little bit louder)
Spank that shit
(Uh, a little but louder now)
Spank that shit
(A little bit louder now!)
Spank that shit
(A little bit louder now!)
Spank that shit
(A little bit louder now!)
Spank that shit
(A little bit louder now!)
Spank that shit
(A little bit louder now!)
Spank that shit
(A little bit louder now!)
Spank that shit
(A little bit louder now!)

What?

No, I ain't rollin' like that
That shit will spring Jerry back
Give my mom a heart attack
(Yes, she will spank that)

Spank that shit
(YEAH!)

Spank that shit
(Ohhh)
Spank that shit
(Ohhh)
Spank that shit
(Yes, she will spank that)

Spank that shit
(Spank that shit)
Spank that shit
(Spank that shit)
Spank that shit
(Uh)
Spank that shit
(Yes, she will spank that)

You gotta do it right
Don't mess with people's minds
Creepin' around tonight
Leave it alone

Spank that shit
(Spank that)
Spank that shit
(Spank that)
Spank that shit
(Just spank that)
Spank that shit

I had a girlfriend
She had a brother
Who liked to dress up
Just like her mother...

Ugh
