Varsity Fanclub

We will we will we will  
We will we will we will  
We will we will we will Hey  
We will we will we will Hey

(David)  
This ain't a love song  
won't make you cry  
This is for the people in the club getting wild  
all night oh oh whoa whoa

(Thomas)  
This ain't your typical boy meets girl  
What's the point in repeating a story you  
already heard whouu whouu  
This'll make you party all over the world  
so...

(All)  
Don't tell me to stop  
I couldn't do it if I tried  
But I'll sleep when I die  
You want me to slow down  
Never  
Baby can we

Go  
What you waiting for  
We can get it on  
We can set it off  
Baby cuz you know if no one wants to start the show  
Then we will  
We will

(Jayk)  
Here is your chance  
let me see you stand up  
If you ain't got the move  
make your own dance up c'mon  
Let the music be the source  
of your energy  
Baby can you feel  
my sexuality c'mon  
Tonight we gonna party  
all over the world

(All)  
Don't tell me to stop  
I couldn't do it if I tried  
But I'll sleep when I die  
You want me to slow down  
Never  
Baby can we

Go  
What you waiting for  
We can get it on

We can set it off  
Baby cuz you know if no one wants to start the show  
Then we will  
We will

(Thomas)  
Why waste time  
Let's heat it up  
Ya we can keep it going till the sun coming up  
Don't you get it get it get it  
Don't you get it get it get it

(All)  
Go  
What you waiting for  
We can get it on  
We can set it off  
Baby cuz you know if no one wants to start the show  
Then we will  
We will
