

## Leave Me

Vashti Bunyan

When you said you would leave me  
I thought that I would die  
I thought I couldn't live anymore  
If you weren't here by my side  
But now go, and leave me  
I don't care anymore  
I don't care if I never see you no more

I'll always think of you  
And of the love we knew  
But I don't care anymore

When you said you would leave me  
I didn't know what to do  
I couldn't face the thought  
Of living my life without you  
But now go, and leave me  
I don't care anymore  
I don't care if I never see you no more

I'll always think of you  
And of the love we knew  
But I don't care anymore  
I don't care anymore  
I don't care anymore
