

## Same but Different

Vashti Bunyan

I'm in a boat  
On the sea  
And I see  
You on the shore  
So sure  
Of yourself

You're in a boat  
On the sea  
And you see  
Me on the shore  
So sure  
Of myself

We're in a boat  
All at sea  
And we see  
We are the same  
The same  
But different
