

Stay with us my darling  
Tomorrow is a brighter day  
Stay with us my darling  
There are so many things to love

You are so beautiful to me  
You are so beautiful to everyone

Heaven is a place I cannot see  
When I'm beside you it's so close to me  
These are the reasons you should stay  
There is so much that you can give

You are so beautiful to me  
You are so beautiful to everyone  
There are so many things to see  
You are so beautiful to me

You're a diamond I can't buy  
You're a sin I can forgive  
And when you sink into the dark  
Know that I am there with you

You are so beautiful to me  
You are so beautiful to everyone  
There are so many things to see  
You are so beautiful to me

You are so beautiful to me  
You are so beautiful to everyone  
There are so many things to see  
You are so beautiful to me
