

Addicted to poison  
The poison is a cure sometimes  
I have a secret  
A secret written in the skies  
I need to go there (slow?)  
I need to get up to the stars  
I have a secret

Baby baby baby, you're my ecstasy  
Baby baby baby, that's because I am on it  
Baby baby baby (my little baby)  
I'm gonna take some innocence from you (ooh)
