

I Can't Say No (To You)

VAST

Closed eyes in the dark
Whispering when no one's around
The night sky looks like blue (?)
My touch does not affect you

I wait for them to follow me
Like sugarplums, like sugar drops
I wait for them to conquer me again
I can't say yes, I can't say no to you

We bring our stories with us
We light a candle for beauty's sake
Are you feeling the bliss
Are you dying? I am

I wait for them to follow me
With sugarplums, with sugardrops
I wait for them to follow me again
I can't say yes, I can't say no to you

I wait for them to conquer me again
I can't say yes, I can't say no to you
