

I Don't Have Anything

VAST

I stood on mountaintops
That overlooked the world
I can't find anything
Except a void inside
I went to places where
I could forget your name
I can't find anything
Except a void inside
I don't have anything
Because I don't have you
I don't have anything
What can I buy to make
The sky turn blue again
Where can I go to feel
Like I'm alive again
Show me the places
Where I can forget your name
I can't find anything
Except a void inside
I don't have anything
Because I don't have you
I don't have anything
I've been stripped of everything
Except some flesh that bleeds
And I've been robbed of everything
Except a soul, except a soul
That needs...you, sweet you
I don't have anything
Because I don't have you
I don't have anything
