

## I'm Dying

VAST

Jesus Christ  
Are you the son of God  
I want to know  
You ask that I believe

Not one day goes by  
That I don't compromise your love  
For the cold love of the world  
It's killing me through

My own evil pride  
Not one day goes by  
That I don't know that I'm dying

Jesus Christ  
Are you the savior of the world  
I want to see  
But I still believe

Not one day goes by  
That I don't realize  
I know that no one will ever know  
Where the flowers go

When they are gone  
Not one day goes by that I don't  
Know that I'm dying

I want to say  
You all are too  
I want to say  
My love  
I want to say  
I want to say  
You all are too
