It's Not You (It's Me)

VAST

Lesson learned and it's calling my name All the places are beautiful Lesson learned and it's calling my name

I know that sorry isn't good enough But it's not fair to me Oh my lover you were good enough It's not you it's me

There's a girl and she's calling my name All the faces are beautiful There's a girl and she's calling my name

I know that sorry isn't good enough But it's not fair to me Oh my lover you were good enough It's not you it's me

La la la la la la oh oh oh oh Oh my lover you were good enough It's not you it's me
