

Loneliness Is Fine

VAST

I woke up today, and I played my guitar,
And I didn't have to turn it down for you.

You're always acting like I should be somebody else,
What if that someone else turns out to not love you?

Feels like freedom is my only lover now.
Feels like loneliness, and loneliness is fine.

I went out today, and I didn't have to call.
Yeah, you didn't have to know where i was at all.

I took the bus, and I walked all over this town,
And I have never felt like I was more alive.

Feels like emptiness when I go out at night.
Feels like loneliness and loneliness feels fine.

Feels like emptiness, but the emptiness is mine.
Feels like loneliness, and loneliness is fine.

Yeah loneliness is fine.
Yeah loneliness is fine.
