

## One More Day

VAST

Have you heard  
Have you tried to understand  
It's all right  
It gets easier with time

How are you  
Are you ever coming back  
I have changed  
And I've realized I was wrong

I was wrong  
Now I'll never see your face anymore  
Oh my Love  
I'd give anything for one more day with you

I'm getting through  
I wish you felt the way I do  
I have changed  
And I've realized I was wrong

I was wrong  
Now I'll never see your face anymore  
Oh my love  
I'd give anything for one more day with you

I was wrong  
I was wrong  
Now I'll never see your face anymore  
Oh my love  
I'd do anything for one more day with you

I'd do anything for one more day with you  
I'd give anything for one more day with you
