

Pretty When You Cry

VAST

You're made of my rib or baby
You're made of my sin
And I can't tell where
You lust ends
And where your love begins

I didn't want to hurt you baby
I didn't want to hurt you
I didn't want to hurt you
But you're pretty when you cry

And the moon gives me
Permission and I enter
Through her eyes
She's losing her virginity
And all her will to compromise

I didn't want to hurt you baby
I didn't want to hurt you
I didn't want to hurt you
But you're pretty when you cry

I didn't want to fuck you baby
I didn't want to fuck you
I didn't want to fuck you
But you're pretty when you're mine

I didn't really love you baby
I didn't really love you
I didn't really love you
But I'm pretty when I lie

You hurt me baby
I hurt you baby

If you knew how much I love you
You would run away
But when I treat you bad
It always makes you want to stay

I didn't want to hurt you baby
I didn't want to hurt you baby
I didn't want to hurt you baby
I didn't want to hurt you baby
