

Racing With The Moon

Vaughn Monroe

Once we were all together you and the moon and I
But on the night you left me the moon raced back to the sky

Racing with the moon sailing thru the midnight blue
And then all too soon it's lost from view
Gazing at the stars shining in the summer night
But just like the moon they fade from sight
In the blue heavens I see your face smiling at me
My heart will never be free until we're back together
Racing with the moon that is what I'll always do
Till I overtake the moon and you

Racing with the moon sailing thru the midnight blue
And then all too soon it's lost from view
Gazing at the stars shining in the summer night
But just like the moon they fade from sight
In the blue heavens I see your face smiling at me
My heart will never be free until we're back together
Racing with the moon that is what I'll always do
Till I overtake the moon and you
