## **Something Sentimental**

## Vaughn Monroe

Something sentimental Most everywhere I look Things we loved together Are in my memory book When I look through them Each night to review them They seem to be Just a dream's length from me-ee Something sentimental A photograph or two Every note you wrote me Are signed with love from you Hours we've embraced in Are tenderly placed in A corner of my heart My souvenirs of love surround me They make me feel you're there Although the only arms around me Are those of my arm chair Parting's almost gentle Because you've left behind Something sentimental That never slips my mind Something to guide me Till you're here beside me Never again to part Parting's almost gentle Because you've left behind Something sentimental That never slips my mind Something to guide me Till you're here beside me Never again to part...
