

# One Last Night

Vaults

Tied to a sallow heart  
Why does he want to bring me where he goes  
Oh and to find out the reasons why  
It's enough to make you wanna try  
For one last night

Ghosts and silhouettes  
They take a piece of me they want it all  
Oh but to wait in an empty room

With the feeling that is closing in.

I had a dream I was dying  
But I found nobody there  
And if one last night is all that we've been given  
Lets live it like we care

For one last night  
For one last night

Broken upon the rocks  
Let the beating waves  
Come drag me down  
Oh but to find out the reasons why  
It's enough to make you wanna try  
For one last night

I had a dream I was dying  
But I found nobody there  
And if one last night is all that we've been given  
Lets live it like we care

For one last night  
For one last night  
For one last night
