

# Lonely Feeling

Vaya Con Dios

What a lonely feeling  
When you're waking in the morning  
Your mind in a haze  
This lonely feeling  
When you're reeling in the evening

I don't know, how long  
This gonna keep on going on  
I don't know, how long  
This is gonna keep on going on

What a lonely feeling  
When you've given up believing  
Lost in a maze  
This lonely feeling  
When you're heart and soul is yearning

I don't know how long  
This is gonna keep on going on  
I don't know how long  
This is gonna keep on going on

Got to keep on going  
Got to keep on going  
Got to keep on going  
Got to keep on going on  
Got to keep on going on

Baby, what are we gonna do  
Me and you?  
Baby, where will it lead us to  
Me and you?

This lonely feeling  
When you're reeling in the evening

I don't know how long  
This is gonna keep on going on  
I don't know how long  
This is gonna keep on going on

Got to keep on going  
Got to keep on going  
Got to keep on going  
Got to keep on going on
