

# Philadelphia

Vaya Con Dios

Raindrops falling softly  
As I walk on down the road  
Neon lights flicker  
Reflecting on my leather coat  
A black guy passes me by  
He's looking kind'a high  
When I'm reaching for a smile  
I see that strange look in his eye

Here I am in Philadelphia  
And I'm walking in the rain  
You're out there in Compton, baby  
Do you still remember my name?

I couldn't hear what he said  
But I suddenly realised  
Thousands thoughts go through my head  
While his steps they follow mine  
A woman must be crazy  
To be out this time at night  
Unless she's looking for some business  
Unless she's feeling real uptight

Here I am in Philadelphia  
And I'm walking in the rain  
You're out there in Compton, baby  
Do you still remember my name?

Here I'm standing at the station  
Waiting for my train to come  
When that dude gave me a look  
Made me wonder what I'd done  
A woman must be crazy  
To be out this time at night  
Unless she's looking for some trouble  
Unless she's out of her mind

Here I am in Philadelphia  
And I'm walking in the rain  
You're out there in Compton, baby  
Do you still remember my name?  
Do you baby?  
Do you remember?  
Do you baby?  
Do you remember?  
Remember my name
