

# We Sing

Vedera

In the night I have traveled  
All alone just to see  
Where I left all the memories  
I had grown to count as me

Through the days though uncertain  
I can live secretly  
Just for you, just for you  
Just for you

And I strain to see  
Will it ever be you and me?

Singing, oh, oh  
We sing, oh, oh

It was cold on the last day  
I was trying not to see  
In a place so familiar  
Yet resisting all of me

I am one, I am only  
Who I hope that I can be  
All for you, all for you  
All for you

And I strain to see  
Will it ever be you and me?

Singing, oh, oh  
We sing, oh, oh  
Singing, oh, oh  
We sing, oh, oh

If you could only see how good  
I could be in your arms tonight  
If you could only see how good  
We could be moving on

We sing, oh, oh  
We sing, oh, oh  
We sing, oh, oh  
We sing, oh, oh

We sing, oh, oh  
We sing, oh, oh  
We sing, oh, oh  
We sing, oh, oh

We sing, oh, oh  
We sing, oh, oh
