

## A Billion Tons Of Light

Vega 4

From the mountains to the oceans, The places where we  
live.

From your mouth and on through  
my mouth,  
It is everywhere,  
Pulsing in the heat of your warm breath.  
In the trains and on the runway,  
In factories and schools,  
From the safety of your long arms,  
I reach endlessly from here.  
Our finger prints are everywhere.  
You're a daughter, I'm a son,  
I almost said I love you.  
A billion tons of light explodes,  
we are illuminated now.

A billion tons of light explodes,  
we are illuminated now.  
As I lie against your body  
That will one day let you down,  
From the safety of this moment,  
I reach endlessly from here,  
I reach endlessly. Endlessly.  
This adds up to more than us,  
I almost said I love you.  
A billion tons of light  
we are illuminated now.  
A billion tons of light explodes  
we are illuminated now.  
A billion tons of light  
we are illuminated now.  
A billion tons of light explodes  
we are illuminated now.
