

Entry Level Exit Wounds

Veil of Maya

Dirty habits and dirty lives.
She can't hold back.
She must fulfil her end of the addiction.
Hunting, sweating, freezing.
Just another day in the life of a dead girl.
She cant live without her shit.
Rock bottom is just around the corner, and she has a first class ticket.
Test the vein, prep it...
Tie the knot, make the blood clot...
Needle in.
"Oh, what sin!", they all say.
Just wait there's more.
More from this whore?
Oh yes there is...she ruined her kids.
In a world that few can understand, she's full of fucking pity.
This life is not worth living.
Who's she kidding? Now she has entry level exit wounds.
Her face is missing.
