

## Sorry Again

Velocity Girl

It will never happen again  
Is a promise I just can't keep  
All alone on the porch  
Drifting off to sleep  
I change this much this year  
But I did it for you my dear  
Let me stick around  
I'll never let you down  
Well I guess that I was wrong  
Well I was mistaken all along  
It's hard to admit its the end  
So I'll say I'm sorry again and again  
Wanted to change my mind  
Falling a bit behind  
Never be the same  
Refuse to take the blame  
Well I guess it happened again  
If already didn't know  
Sometimes its hard to believe  
We've sunk so low
