

Don't Stop Movin

Velvet

You get to get it right (4x)

You can do anything that you want to do
But if not body and soul in to it
Prove it to yourself and say
I want (i want)
I will (i will)
I can do anything

It's a difficult world
And you got to prove
But you'r ready and you can do it
Nothing in this world can stop you
I know I will I can fulfill my dreams

Don't stop movin' keep it up
Keep on movin' get it right
Youv'e got to get it right
Don't stop movin' it's your life
Keep on movin' get it right
Youv'e got to get it right

You can do anything that you want to do
But if not body and soul in to it
Prove it to yourself and say
