

Little Billie John

Venerea

Oh no
there's something wrong
with little Billie John
Nowadays I can't seem to
ding-a-long-ling-long
my ding-a-long-ling-long
What's going on ?

aye-aye-aye oh
I can't take it no more
I can't make it no more

oh no
I've asked him
time and time and time again
tell me the reason
as to why you can't
stand by your man
I offer you my hand
my right hand

oh no
little Billie John
is starting to fade away
I gotta take him
to the doc one day
I gotta pay to play
why me?
