

My Love Is a Bulldozer

Venetian Snares

My heart beats so fast, you're unsurpassed
My hand reaches out to take your hand
My dick feels so hard it could break apart
My love is a bulldozer on the way to paradise
My love is a bulldozer in heaven
My love is a bulldozer

Only you can make my dick feel like this
Only you can make my dick feel like this
Only you can make my dick feel like this

My dick feels so hard it could break apart

(My Love...)

Only you can make my dick feel like this, oh baby
