

## 24/7 in My 911

Vengaboys

I got my top down  
And I'm ready to roll  
Watch me go now  
I'm leaving this town  
To the Costa del Sol  
Come on let's go now

The stars are out tonight  
The moon is shinning down on me  
With rays of pure delight  
And I'll be spendin'

24/7 in my 911  
And I ain't gonna work  
A9-2-5  
24/7 in my 911  
On a highway to heaven  
It's the time of my life

Crusin'  
Crusin' down the street  
Crusin'  
Crusin' down the street  
Up and down the street

You're my lover  
You're my Romeo  
Watch me glow now  
Rockin' to the rythum  
On Venga radio  
Don't let go now

The stars are out tonight  
The moon is shinning down on me  
With rays of pure delight  
And I'll be spendin'

24/7 in my 911  
And I ain't gonna work  
A9-2-5  
24/7 in my 911  
On a highway to heaven  
It's the time of my life
