

# Scared

Venke Knutson

So I'm alone again  
raising my clock to get home again  
and you're likeable and memoreble  
all at once  
just drive to find my place  
making my way out of this mess  
as I'm waiting, watching time goes by

and I'm scared the morningpaper  
tells me you're gone  
and you were there  
behind the sun  
and over the moon  
I'll be with you soon  
But I'm here and you're there  
what's this fase  
someone set it wrong place

I wait to join  
watching the flipside of this coin  
well, you're miserable, controlable and changeable  
all at once  
And still I wait to run  
Maybe this time I'll come and done  
as I'm waiting, watching time goes by

and I'm scared the morningpaper  
tells me you're gone  
and you were there  
behind the sun  
and over the moon  
I'll be with you soon  
But I'm here and you're there  
what's this face

I speak but you won't here  
as I try but you won't see  
I wait for you to show  
I miss you when you're near  
cause I'm here  
the morningpaper  
tells me that you're gone  
and you were there  
behind the sun  
all over the moon

cause im scared  
so scared

and I'm scared the morningpaper  
tells me you're gone  
and you were there  
behind the sun  
and over the moon  
I'll be with you soon  
But I'm here and you're there  
what's this fase

someone set the wrong place

so I'm alone again  
raising the clock to get home again  
and you're likeable and memorable  
all at once
