

Metal Punk

Venom

Metal Punk is rising wild
Antennae scouts the way
Ready for the danger
In the game he has to play
Nowhere to hide
Nowhere to live
Nowhere to run
Metal Punk
No time to die
Metal Punk - Feel it
Metal Punk - C'mon
Metal Punk
Metal Punk - Take it
Metal Punk dilates the cries
A message all is well
The changes take their place
Amongst the sentinel
Nowhere to run
Metal Punk
Nowhere to hide
Nowhere to live
No time to die
Metal Punk - Feel it
Metal Punk
Metal Punk - C'mon
Metal Punk - Take it
Metal Punk animalize
Metal Punk
Metal Punk watch his eyes
Metal make a punk of me
For satanic majesty
Savage mind
Damage child
Metal PunkBoiling high
