

Nemesis

Venom

Nemesis guides you into darkness
Nemesis leaves you lying there
Nemesis takes you to your limit
Nemesis eats at your despair
Left dying, screaming and crying
Unsympathizing, nemesis
Nemesis loves to play with madness
Nemesis marriage made in hell
Nemesis spending all your money
Nemesis steals what's yours to sell
Nemesis motherfucking bitch
C'mon, you motherfuckers
Nemesis never gives you an inch
Nemesis pulls your fucking hair
Nemesis stabs you in the bollocks
Nemesis leaves you standing bare
