

## Nemesis

Venom

Nemesis guides you into darkness  
Nemesis leaves you lying there  
Nemesis takes you to your limit  
Nemesis eats at your despair  
Left dying, screaming and crying  
Unsympathizing, nemesis  
Nemesis loves to play with madness  
Nemesis marriage made in hell  
Nemesis spending all your money  
Nemesis steals what's yours to sell  
Nemesis motherfucking bitch  
C'mon, you motherfuckers  
Nemesis never gives you an inch  
Nemesis pulls your fucking hair  
Nemesis stabs you in the bollocks  
Nemesis leaves you standing bare
