

Pedal to the Metal

Venom

Racing like a madman high on
The extreme
Don't know where I'm goin'
No clue to where I've been
Everything around me fades
Into a blur
Never stop - Reach the top
Out of this world
Don't need no provocation
My instincts high on fire
The final destination
Will be the place that I die
Pedal to the metal
Speed through every border
Nothing to declare
Got no time for questions no
Answers anywhere
Flying like a comet only trails & mist
Watch the clock - Off the top
Nothing else exist
