

## Pedal to the Metal

Venom

Racing like a madman high on  
The extreme  
Don't know where I'm goin'  
No clue to where I've been  
Everything around me fades  
Into a blur  
Never stop - Reach the top  
Out of this world  
Don't need no provocation  
My instincts high on fire  
The final destination  
Will be the place that I die  
Pedal to the metal  
Speed through every border  
Nothing to declare  
Got no time for questions no  
Answers anywhere  
Flying like a comet only trails & mist  
Watch the clock - Off the top  
Nothing else exist
