

Stand Up (And Be Counted)

Venom

We are the tyrants
Messangers of Satan
We pledge you all
Raise your hands
This is the solstice
Hail legions arise
We'll raise the roof
Touch the skies
Were praying for
The wings of Mayhem to arrive
The screaming fury burns
Brings us alive
Stand up and be counted
Stand up and be counted
We are the demons
Children of fire
Your turn has come
Live your desire
Burning ambition
Were were staying wild
We stand as one never denied
Defyant and proud
We stand together
Metlalic and loud we will fight
Devestation, pure Hell
Legions of the night
Stand up and be counted
Stand up and be counted
Come on, raise your hands
We are the black metal gods
V. E. N. O. Fucking M.
Are you with us
Right until the end?
Stand up and be counted
Stand up and be counted
Come on right at the back
You wanna be counted as well?
Stand up! And be counted...
