

# I'm Beginning to See the Light

Vera Lynn

I never cared much for moonlit skies,  
I never winked back at fireflies,  
But now that the stars are in your eyes,  
I'm beginning to see the light.

I never went in for afterglow,  
Or candle light on the Mistletoe,  
But when you turn the lamp down low,  
I'm beginning to see the light.

I used to ramble through the park,  
Shadow boxing in the dark,  
Then you came and caused a spark,  
That's a four-alarm fire now.

I never made love by lantern shine,  
I never saw rainbows in my wine,  
But now that your lips are burning mine,  
I'm beginning to see the light.

I never went in for afterglow,  
Or candle light on the Mistletoe,  
But when you turn the lamp down low,  
I'm beginning to see the light.

I used to ramble through the park,  
Shadow boxing in the dark,  
Then you came and caused a spark,  
That's a four-alarm fire now.

I never made love by lantern shine,  
I never saw rainbows in my wine,  
But now that your lips are burning mine,  
I'm beginning to see the light.

I used to ramble through the park,  
Shadow boxing in the dark,  
Then you came and caused a spark,  
That's a four-alarm fire now.

I never made love by lantern shine,  
I never saw rainbows in my wine,  
But now that your lips are burning mine,  
I'm beginning,  
Oh I'm beginning,  
I'm beginning to see the light.  
Ooh that light,
