

## Long Ago (And Far Away)

Vera Lynn

Long ago and far away  
I dreamed a dream one day  
And now that dream is here beside me  
Long the skies were overcast  
But now the clouds have passed  
You're here at last  
Chills run up and down my spine  
Aladdin's lamp is mine  
The dream I dreamed was not denied me  
Just one look and then I knew  
That all I longed for long ago was you

Long ago and far away  
I dreamed a dream one day  
And now that dream is here beside me  
Long the skies were overcast  
But now the clouds have passed  
You're here at last  
Chills run up and down my spine  
Aladdin's lamp is mine  
The dream I dreamed was not denied me  
Just one look and then I knew  
That all I longed for long ago was you

That all I longed for long ago  
Was you
