

Sober

Vérité

And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
Now I'm so high
Now I'm so high
Now I'm so high

Girl, what's your problem
Cause I know it's hard sometimes, baby just give it some time
Oh honey now girl, we can solve them
If you just give me some time, I can open up your mind
If you le-e-et it shine, you can free-ee-ee your mind
Cause I know

And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
And now I'm so high
Now I'm so high
Now I'm so high

Girl, if it's done right
Well you know it's got to be something wonderful to me
Oh honey now girl, give it one night
If you just give it a chance, loving you is not my plan
Cause I know one day you'll see
All the things that we can be
And I know

And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
Now I'm so high
Now I'm so high
Now I'm so high
And now I'm so high
And now I'm so high
And now I'm so high
Now I'm so high
Now I'm so high
Now I'm so high
