

# Somebody Else

Vérité

So, I heard you found somebody else  
And at first I thought it was a lie  
I took all my things that make sounds  
The rest I can do without

I don't want your body  
But I hate to think about you with somebody else  
Our love has gone cold  
You've intertwining your soul with somebody else  
I'm looking through you  
While you're looking through your phone  
And then leaving with somebody else  
Oh, I don't want your body  
But I'm picturing your body with somebody else

Come on, baby  
This ain't the last time that I'll see your face  
Come on, baby  
You said you'd find someone to take my place

Oh, I just don't believe that you have got it in you  
'Cause we are just gonna keep "doing it"  
And everytime I start to believe in anything  
You're saying I'm reminded that I should be getting over it

I don't want your body  
But I hate to think about you with somebody else  
Our love has gone cold  
You've intertwining your soul with somebody else  
I'm looking through you  
While you're looking through your phone  
And then leaving with somebody else  
Oh, I don't want your body  
But I'm picturing your body with somebody else

Get someone you love?  
Get someone you need?  
Fuck that! Get money!  
I can't give you my souls cos we're never alone  
x4

I don't want your body  
But I hate to think about you with somebody else  
Our love has gone cold  
You've intertwining your soul with somebody else  
I'm looking through you  
While you're looking through your phone  
And then leaving with somebody else  
Oh, I don't want your body  
But I'm picturing your body with somebody else
